About the Canada Water Masterplan

The Canada Water Masterplan was granted planning permission in May 2020 and will create a new town centre for the local and wider community to enjoy. It is a 15-year project which will redevelop Surrey Quays Shopping Centre and Leisure Park, the Printworks and the former police station, to deliver new workspace for around 20,000 people, a new high street, around 3,000 homes (35% affordable), a new leisure centre and space for a sixth form and health centre.

The construction process will generate employment and training opportunities across different sectors, skill levels and interests. Register your interest in finding out more about forthcoming employment and training & apprenticeship opportunities by contacting team@canadawater.co.uk or 0800 470 4593 (freephone).
